## Leading with Strengths

July 26 & August 2 | 8:00 am - 12:15 PM | MGMT-50S-9707

Discover your strengths and learn how to be intentional in doing what you do best in all areas of your life.

Participants must take the **STRENGTHSFINDER 2.0** assessment prior to the course. For the **1st day of class**, print & bring in the Insight & Action-Planning Guide and learn more about your unique Strengths combination and how to maximize them in all areas of your life. Visit: [www.gallupstrengthcenter.com](http://www.gallupstrengthcenter.com) for more information about the assessment.

### Required Material

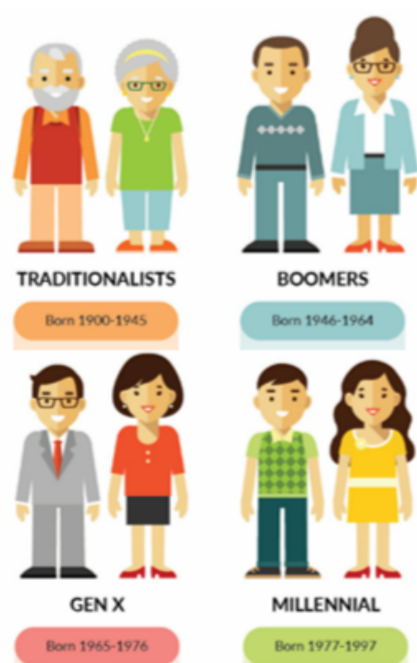

*Must take assessment before class*

*Print & Bring Action-Planning Guide to 1st day of class*

## Generational Diversity

July 26 & August 2 | 1:00pm - 5:15 PM | MGMT-50K-9706

### Four Generations

### One Workplace

Working on cross-generational teams can be challenging. There is not a "one size fits all" approach to leading, communicating, and motivating people from different generations. This class will help participants to better understand the generational personality of each group and how to better interact with colleagues from different generations. Participants will understand why each generation behaves the way they do and leave the class with tools that will help them work better together.

Classes are at the Merced College Business Resource Center on 630 W. 19th Street, Merced CA 95340.

Each class is a half (1/2) unit of college credit.

Registration fee is \$23 per class.
