EMPLOYEE ENGAGEMENT:

Improve performance, Productivity, and Retention

This class will define what Employee Engagement is and what it looks like in the workplace. Participants will learn the difference between engaged, disengaged, and actively disengaged employees and how they impact the workplace. Participants will learn five key ways to engage employees as well as strategies to implement to help keep employees engaged. Participants will also learn how to re-engage disengaged employees.

LEADERSHIP ESSENTIALS:

What Emerging Leaders Need to Know

This class will help prepare new and emerging leaders to succeed by defining the roles, functions and responsibilities of great leaders. Participants will also learn effective delegation procedures and elements of successful coaching. They will learn how to display professionalism.

A special emphasis will be placed on change management.

LEADING WITH STRENGTHS:

Maximize Your Talents and Develop Your Strengths

This class is designed to help leaders recognize their own strengths and learn how to invest in the strengths of those they lead. Participants will take the Strengths Finder 2.0 Assessment and be able to inventory the strengths of the team they are on and the team they lead.

VALUES AND ETHICS:

Cultivate an Ethical Working Environment

Ethical behavior affects what happens in the workplace. This class provides the opportunity to evaluate ethical behavior and what's appropriate and what's not. A 3-step checklist is introduced to help participants in recognizing ethical behavior.

GENERATIONAL DIVERSITY:

Leading Cross-Generational Teams

There is not a "one size fits all" approach to leading, communicating, and motivating cross-generational teams. Participants will understand why each generation behaves the way they do and leave the class with tools that will help them work better together.

CHALLENGES OF LEADERSHIP:

Difficult People, Tough Conversations and Discipline

This class is designed to equip participants with skills needed to deal with the various challenges with leading people. Special emphasis will be placed on practical and proven tools to deal with difficult people and have tough conversations. The topic of accountability will be explored in regard to individual performance and organizational success. Participants will learn about progressive discipline and how to resolve performance problems quickly and permanently.

EMOTIONAL INTELLIGENCE:

Improve Relationships and Increase Productivity

This class is an introduction to the principles of Emotional Intelligence (EQ). EQ is the ability to identify and understand your emotions and those of others and use this understanding to guide your behavior and manage relationships. Topics covered include the five competencies of EQ: self-awareness, self-regulation, motivation, empathy, and effective relationships.

AUTHENTIC LEADERSHIP:

Know Yourself and Lead Your People

Participants will learn what followers look for in a leader and will focus on the importance of authenticity. This class will focus on trust and the bestselling DVD "The 5 Dysfunctions of a Team" will be featured.
